JEREMIAH ABAH

To the Hiring Manager,

As a fast-growing individual in the professional field, I am convinced that I will be a perfect fit for this job at your prestigious organization. I believe my knowledge, skills and training will add value to this organization and I look forward to joining the great team who are contributing to the organization's progress.

As a graduate of Information Technology with a concentration in Software Application Development and the intensive 3 months Full Stack Software Developer Internship/Training at TrueCoders, and on-going self-development using various online platforms such as Udacity, Coursera and Edx, I am confident that I have gained the knowledge and experience I need to hit the ground running and start making noticeable contributions right away. Below are a few highlights of my professional skills, and achievements which I hope to bring to your organization:

- Web Development using HTML CSS, JavaScript, SQL, C# and .NET

- IT skills, Computer literacy with Microsoft Office skills

- Critical thinking and problem-solving skills

- Time management and Leadership.

My resume will show you many others.

I look forward to an opportunity to speak with you further about other ways that I can be of value to this company.

Thank you.

Sincerely,

Jeremiah Abah
